## RiverPointe Happenings! – February 2021

*Currently, we do not have events open to the general public but attend our Active Mind Zoom events!*

**Active Minds® Magellan – Attend with Zoom**

**Wednesday, February 10, 2021 - 3:00PM – 4:00PM**

Ferdinand Magellan was one of the most significant explorers of all time. Five hundred years ago, his three-year voyage (which he did not survive) was the first successful circumnavigation of the globe. What ensued was the expansion of European exploration and colonization of Asia, Africa and the Americas: the so-called Age of Discovery. Magellan's life represents a fascinating case study of this pivotal moment in world history. Join Active Minds as we discuss the historical context, life, and legacy of one of the most influential navigators ever.

RiverPointe is now partnering with Homewatch CareGivers bringing supportive services to our independent seniors who would like a little help with tasks and errands, a little companionship during these times of isolation from family, a way to stay independent in their homes!

***Now there are even more reasons to take a look at RiverPointe for your maintenance free lifestyle!***

### **Mark your calendar:**

**Active Minds® Presents The Future of Bees Webinar - Wednesday, April 14, 2021 - 3:00-4:00PM**

Found on every continent except Antarctica, bees are vital pollinators, making possible much of the food humans eat. In recent years, however, crucial bee species have experienced significant loss. Since the 1990's, the bumblebee population has plunged almost 90%. Additionally, since 2006, a malady called Colony Collapse Disorder has afflicted honeybee populations. Join Active Minds as we dive into the world of bees and examine the factors that are affecting these important species.

RiverPointe of Littleton is a great place to meet your Tri-Shaw pilot for a historical, relaxing, wind in your hair ride! Interested in a trishaw ride at no cost?
