Active Minds® Presents Russia Invades Ukraine

Wednesday, May 11, 2022 - 3:00 PM – 4:00PM (in-person)

Under the leadership of Vladimir Putin, Russia invaded Ukraine on February 24, 2022. Putin’s leadership of Russia for the past 20 years demonstrates a return to an authoritarianism that, for some, feels similar to the days of Soviet control and the Cold War. Join Active Minds as we go beyond the headlines to provide the context to understand the story of Russia under the influence of Vladimir Putin and how it has led to the warfare currently playing out in the sovereign nation of Ukraine.
