RiverPointe Happenings! – July 2022

Active Minds® Presents “Say Cheese”

Wednesday, July 13, 2022 - 3:00 PM – 4:00PM (in-person)

The history of cheese goes back as far as 6000 BCE, long before the Ancient Egyptians and Homer. There are thousands of varieties of cheese, with local flavor differences influenced by subtle factors such as the type of grass eaten by the cows. Join Active Minds as we trace this cheesy history, including an overview of how it is made and the major categories of cheese. We'll even cover a couple controversial topics debated by cheesophiles (yes, that's a word!).
