Active Minds® Presents Morocco

Located in the northwest corner of Africa just south of Spain, Morocco is a diverse country with a long history and rich culture. Home to the indigenous Berber people for thousands of years, Morocco has been at the crossroads of empires throughout history: Rome, the Arab Islamic Empire, and European powers in the “Scramble for Africa.” Join Active Minds as we tell the story of the Kingdom of Morocco, including current issues and future challenges. **Space is limited and RSVP appreciated! 303-797-0600**
